We are very pleased to welcome our audiences back to the Faculty of Music for the 2022–2023 Season of Events. We deeply appreciate the kindness, patience and words of support that you have offered our students, faculty and staff as we've navigated the past two years of the pandemic. As we head into our new academic year and season we, as a community of music scholars, performers, educators and composers, have much to appreciate and celebrate.
