FACULTY OF MUSIC

WELCOME TO THE FACULTY OF MUSIC

Congratulations on your admission to the Faculty of Music, University of Toronto. We're glad that you've chosen to attend the University of Toronto and hope that this will be the beginning of an exceptional educational and musical experience for you.

The Registrar's Office at the Faculty of Music is your "reliable first stop" for information and advice. This office is also responsible for the administrative operations of the undergraduate program including student records, course administration, convocation, examinations, marks, scholarships, and bursaries, as well as the policies on academic regulations. GETTING A HEAD START

Get your TCard

Your TCard is your official University of Toronto photo identification. It will be your library card, access pass to athletic facilities and general ID card for when you write exams and pick up official documents. Pick this up before September or as soon as you get to campus to avoid the rush!

The first step is to submit your identity and legal status documentation online: <https://tcard.utoronto.ca/get-your-utorid-tcard/>. After your identity and legal status documentation have been approved, you will receive an email with instructions about activating your UTORid (see below). You may then make an appointment to pick up your Tcard on campus.

For more information, please visit www.tcard.utoronto.ca

Activate your UTmail+ and UTORid

After your identity and legal status documentation have been submitted and approved, you will receive an email with instructions about how to convert your JOINid to a UTORid. Your UTORid and password provide access to online services like email (UTmail+), course content on Quercus, webinars, library resources, Microsoft365 applications, network services for international students, WiFi on campus, and more. All UofT students are given a university email address but **it is your responsibility to activate your account**. Enter this new email address on your ACORN record (which is our automated web service, find more information on page 6). UofT uses email to communicate with you. It is your responsibility to update your email address on ACORN and to check your UofT email account daily.

To activate your UTORid and create your UTmail+ account: <https://tcard.utoronto.ca/get-your-utorid-tcard/>

Important Note: Policy on Official Correspondence with Students

The University and its divisions may use the postal mail system and/or electronic message services as means for communicating with you. Official correspondence may include, but is not limited to, matters related to your participation in academic programs, scheduling, fees, and other matters concerning the administration and governance of the University.

You are responsible for maintaining and advising the University, on ACORN (the automated web service), of a current and valid postal address as well as the address for a University-issued e-mail. Students are also urged to add their emergency contact information on ACORN.

Get to know ACORN

ACORN is the University of Toronto's user-friendly and intuitive student web service. You can use it to enrol in courses, access your grades, order transcripts, determine how much you owe on your fees account, update your personal contact information, and much more. You can access ACORN before setting up your University accounts using your JOINid and password; once you have activated your UTORid, your UTORid and password become your new login information. More information is outlined later in this guide.

The best way to become familiar with this system is to use it: www.acorn.utoronto.ca

Get to know the Programs and Services offered by the Division of Student Life

The mission of these services is to offer all students support in reaching your academic goals while finding community and belonging. This includes preparing you for university academics, by introducing available resources, teaching time management skills and effective learning and study habits. They're here to support your mental and physical health, with virtual and in-person appointments, workshops to teach you wellness skills, and peer support in a range of areas. They can also help you with accessibility and accommodations issues. Student Life provides all kinds of resources to help with your career, from work study positions and on-campus jobs to resources to help you develop resume and interview skills. For international students, they provide a range of supports from information about immigration, health coverage and work permits, to advice on transitioning into Canadian life. They also have all the information you'll need about study abroad programs.

Register with Accessibility Services

Students who have a documented disability may be able to receive special accommodations to enhance their study at the University of Toronto by being registered with this service. An accommodation is any change that enables students with disabilities to participate equally in the environment and activities of either a particular class or university life in general. This includes making changes to course delivery, assessment methods, the types of resources provided, and physical access to a class. It involves removing barriers of all kinds. Accommodations are determined based on available information regarding your functional limitations and their impact on your program of study. You are urged to initiate the process immediately, in order to have the necessary accommodations (if appropriate) in place before classes begin. July 14th is the registration deadline for all students requesting accommodations through Accessibility Services.

For more information, please refer to <https://www.studentlife.utoronto.ca/as/new-registration>

Start Practicing at the Faculty of Music

Students will gain access to practice facilities during the first week of September for both the Faculty of Music North (Edward Johnson Bldg.) and Faculty of Music South (90 Wellesley St.). Access at both locations is administered through a fob system. You must order your fob and pay the \$28 deposit online before you can pick it up. Information about how to order and pick-up times will be emailed to you in late August.

To pick up your fob, please bring:
Your TCard

Choosing Your Courses

All students in the Opera Diploma program will be added to their respective courses by the Registrar's Office in late August. Please refer to the current Academic Music Calendar:

<https://music.calendar.utoronto.ca/section/Diploma-in-Operatic-Performance>

As this is a structured program, you are unable to make changes to your enrolment.

REGISTRATION

Registration is triggered by payment of the minimum payment or arrangement for a fee deferral. The minimum payment to register (MPR) is equivalent to any Arrears + 100% of Fall tuition fees and is indicated on the Fees Invoice that students can view in ACORN. There is no in-person registration. To be automatically registered for the fall-winter session, you must pay at least the minimum first instalment of your fees (or officially defer them) by August 30th. If you pay after August 30th and by September 13th, you are required to provide the Registrar's Office with the proof of payment. If you have not presented the proof of payment, or deferred your fees by 4:00pm on September 13th, you will be removed from all your courses. You can check to see if you are "Registered" by logging into ACORN; your status is displayed on the main page. Check your registration for 2023 Fall-Winter. If your status is "Invited" you are at risk of being removed from your courses.

By being registered, a student thereby agrees to abide by all of the Academic and Non-academic Policies, Rules and Regulations of the University and Faculty and to ensure that the accuracy of personal information including current mailing address, telephone number, and university issued email is maintained on ACORN.

Fees

Compulsory fees for Registration consist of academic, incidental and ancillary fees. Academic fees vary depending on the program of study and year of admission to the Faculty of Music. Students in the Opera Diploma program are charged a program fee for each of the two/three years of study. A program fee is a set fee for the fall-winter academic session regardless of a student's course load, provided the load falls within a defined range.

Paying your fees

You are required to view the instructions on the Student Accounts website (www.fees.utoronto.ca), view your account on ACORN, and then make the payment. Fee charges will be available on ACORN on July 14th. It is recommended that you make the minimum payment indicated on your Fees Invoice by August 30th to ensure your registration is complete by the first day of classes. Those who pay after August 30th and by September 13th, are required to produce their proof of payment to the Registrar's Office by 4:00pm on September 13th, at the latest. Students who have applied for OSAP/their provincial loan program on time and are not otherwise able to make the minimum payment, may be able to defer the fees payment to a later date as long as you do not owe fees from the previous sessions. Fee deferrals are requested on ACORN. Students who have not paid or deferred their fees by the 13th of September will be removed from all their courses. Re-registration requires approval and a financial penalty, and does not guarantee a spot in previously enrolled courses.

How to pay

Students have the following options to pay fees:

- On a sessional basis (both Fall and Winter together) by the Fall term payment deadline, or
- By term (separate Fall and Winter term payments)

Please note that payments are not made in person at UofT. The following methods are acceptable to pay your fees:

1. You can pay your fees in-person at any one of the chartered banks using a printout of the ACORN account in Invoice Format.
2. Set up U of T as one of your payee accounts by providing your financial institution with your U of T student account number and the name “University of Toronto”. Your account number is located on the top right-hand corner of your invoice. Your account number is made up of the first 5 letters of your surname and 10 numbers. Make sure you keep your bank verification/confirmation number. This will be your proof of payment.
3. You can make a payment on your credit card, with a convenience fee on ACORN. “Make A Payment” under Finances. Click on “Make a Payment by Credit Card” and follow the instructions. Note: a convenience fee of 1.75% will be levied on all payments made by credit card.

Check ACORN to see if your payment has been received or your deferral has been processed. In the “Academics” box on your ACORN dashboard, you will see your registration status for the Fall/Winter Session:

- *Registered* = Your registration is complete; no further action is necessary.
- *Invited* = You risk being removed from your courses, Check your status again in a few days to make sure your payment or deferral request was successfully received.

Deadlines & Billing Dates

August 30	Recommended deadline to pay the Minimum Fees or defer your fees by; Minimum fees will be on your Fees Invoice and is equivalent to Arrears + 100% of Fall tuition fees
September 13	Registration Deadline
September 30	Payment Deadline for Unpaid Fall term Tuition & Non-Tuition fees
November 30	Payment Deadline for Unpaid Winter term Tuition fees for all students without a fee deferral
January 31	Payment Deadline for Unpaid Winter term Tuition for Students who have a deferral
April 30	Payment deadline for Unpaid Fall and Winter term tuition & Non-tuition fees (including for those who have a scholarship/sponsorship/tuition waiver based deferral)

Beginning October 17th, a monthly service charge of 1.5% will be added on to your outstanding balance until it is completely cleared. All payments are applied to the charges on your account according to the algorithm of “oldest first”. This means that the oldest outstanding charge in the oldest session will be cleared first; there is no distinction between the type of charge, e.g. residence fees, academic fees, etc.

Deferring Tuition Fees

If you are expecting to receive OSAP (Ontario Student Assistance Program) or another provincial government loan and are unable to pay the first instalment of fees with your own funds, a deferral is the opportunity to officially postpone the fee payment until your funds arrive.

By deferring your fees, you are agreeing to the following conditions:

- All outstanding tuition fees have been paid. Your deferral is not valid if you owe tuition fees from a previous session.
- If you do not receive any assistance from OSAP, you are still responsible for paying your fees.

There are two ways you may officially defer your payment: online and in person. To defer online, log onto ACORN and select “Tuition Fee Deferral” under the Finances menu and follow the directions. After completing the online deferral, you should check to ensure your Registration is complete. Alternatively, the deferral can be completed in the Registrar’s Office, by September 13th. Bring in the confirmation that you are eligible for OSAP or other government loan funding. If you have applied but have not yet received confirmation, you must go to Enrolment Services, 172 St. George Street, to request a deferral before the recommended August 30, 2023 deadline.

Scholarship or Billing to a Third Party

If you are receiving a scholarship from the Faculty of Music/University of Toronto, or an external establishment that is required to go towards your fees, your fee payment may be deferred. The award will be credited towards your tuition fees for the 2023-2024 academic year, once you have registered for the session. In order to register, you must notify the Registrar’s Office by August 30th, 2023 of your intent to defer your fees payment with the scholarship(s). If the value of the scholarship(s) does not cover the minimum tuition fees payment, you will be required to pay the difference prior to requesting a fee deferral using the scholarship. Even if your scholarship covers or exceeds the minimum tuition fees payment, you must notify us by the deadline of your intent to defer your fees payment.

The request to defer your fees should be sent to the attention of the Registrar, registrar.music@utoronto.ca and should include:

- your full name
- your student number
- scholarship details (name and value)
- payment Details (if applicable) - the amount paid and confirmation number

Please note: University issued scholarships are typically applied to student accounts in late September. Students should check on ACORN at this time to confirm all funds have been applied appropriately.

Dependent Waiver

If payment of your fees is made by Staff/Dependent Waiver, you must pay your non-academic incidental fees at a bank, then submit proof of payment and a copy of the Staff or Dependent Tuition Waiver Request form approved by the Human Resources Department to the Student Accounts Office, 215 Huron St., Toronto, ON, M5S 1A2. For further information, contact the UofT Human Resources (416) 978-2015.

FINANCIAL AID & SCHOLARSHIPS

Financial Aid Policy

The University of Toronto's policy on Student Financial Support states: "No student offered admission to a program at the University of Toronto should be unable to enter or complete the program due to lack of financial means." This policy applies only to Canadian citizens, permanent residents and protected persons. Financial support programs of the University of Toronto are designed to guarantee that each student has access to the resources necessary to meet his/her needs. Financial need will be assessed by common mechanisms of OSAP and UTAPS. In order to have their financial needs determined, students should apply for government student assistance. Students are expected to rely on OSAP assistance, up to the level of the maximum OSAP entitlement. Assessed need that remains unmet above the OSAP maximum will be met by the University as a UTAPS grant. Out-of-province students are expected to rely on government support from their home province.

Many awards at the Faculty of Music and University of Toronto have Ontario residency and financial need as criteria, in addition to academic/artistic merit. Financial need is determined from your OSAP entitlement. Students are therefore encouraged to apply to OSAP in order to possibly make themselves eligible for these awards.

Student Financial Planner

Students can use the Financial Planning Calculator <https://planningcalc.utoronto.ca/financialPlanner/#/> for UofT students. It is a tool to help explore how much it will cost to study at UofT for one academic year. Students can also create a budget and browse helpful resources!

Work Study Program

The University of Toronto Work Study program offers an opportunity to registered students to gain meaningful work experience by working part-time on campus. In most cases, the job offers more than the financial benefits by providing practical experience related to the student's program of study. The Work Study program is open to both full-time and part-time undergraduate students (i.e. domestic and international students), and graduate students.

Students do not need to be OSAP eligible to apply for Work Study.

Fall-Winter 2023-2024 Work Study will run from September 2023 through March 2024. Refer to <http://www.future.utoronto.ca/finances/financial-aid/work-study-program> for more details. Work-study positions will be posted at the Career Learning Network (<https://cln.utoronto.ca/home.htm>) beginning early August.

OSAP (Ontario Student Assistance Program)

The OSAP application usually becomes available in April at www.osap.gov.on.ca. New students are encouraged to apply before the end of June. Within 4-6 weeks of applying and submitting all required documentation, students are advised of their eligible funding for the academic year. Funds are released directly to the University in two different instalments; 60% of the entitlement in September and 40% in January.

Bursaries

Bursaries (also called grants) are non-repayable sums of money awarded to assist students who have first explored all other avenues of financial assistance and who still encounter financial difficulties or are experiencing a sudden change in their financial situation. Bursaries are a source of help in covering modest, and often unexpected shortfalls of income rather than as a principal resource. There are two rounds of bursary applications. November 1st is the deadline for fall applications, and February 1st for winter applications.

Applications will be available in the Registrar's Office one month before the deadline. Students are considered for bursaries on the basis of financial need and must apply for OSAP/their provincial assistance program first. Students are notified of the decision via email. Grants will be applied to your financial account on ACORN to reduce your outstanding fees. If your fees have been paid in full at the time the grant is awarded, the balance of the grant will be issued via direct deposit to your personal bank account.

Ontario students: If you have requested to receive only the grant funding from OSAP, an application for a bursary will not be considered.

Entrance Scholarships

These are awarded on the basis of your entrance audition and academic achievement. Students normally receive notification of a scholarship award with the offer of admission or shortly thereafter.

In-Course Scholarships

The Faculty of Music has a significant number of scholarships awarded to returning students. Students are notified in mid-June regarding any scholarships that they are eligible to receive for the upcoming academic year. In-Course scholarships do not require applications, and are based on a combination of academic and/or musical achievement, depending on the specific award.

A comprehensive list of the scholarships is available at:

www.music.utoronto.ca/scholarships-fellowships.php#In-Course (Select Degree & Program)

Awards by Application

Awards made by the Faculty of Music that require an application are listed in the [Academic Calendar](#).

All applications become available on February 1st on the Registrar's SharePoint site. The deadline is May 1st.

A number of awards provide assistance to students who want to continue their study of Music over the summer. Students are encouraged to take advantage of these opportunities to enhance their artistic growth!
